Throughout the "1969 OWL" we have tried to capture the important memories of the past year by "focusing" on special events and the people involved in them.

The school is the heartbeat, the biggest business, and the center of attraction in a community. This is why it is important for the people running it and the ones involved in it to work harmoniously. We are proud of our school and hope that you, too, cherish the moments spent here.

We, the Owl staff, are pleased to present the 1969 yearbook to the students, teachers, and members of the community.

DEDICATION

The annual staff and sponsor are very honored to dedicate the "1969 Owl" to Mrs. Kathleen Lambert.

Mrs. Lambert with her husband, Denzille, resides northeast of Sterling, where Mr. Lambert runs a dairy.

For the past 18 years Mrs. Lambert has taught Business Education at Elgin. Bookkeeping, typing, shorthand, and sponsoring the school newspaper, "The Owl-gin Chat," are

her particular responsibilities. Her well trained students have had little difficulty in obtaining business positions in today's world.

We appreciate the loyalty, kindness, consideration, and heart-felt efforts Mrs. Lambert has shown toward us to help improve our outlook toward reality.

Board of Education

"The purpose of education is not merely to teach people how to read and write, or to train them for jobs, or to give them the tools for success, but to develop in them a loyalty to what is excellent."

Superintendent's First Year

Let me take this opportunity to express to all of you my approval for a job well done this year. As I study protest, unrest among teacher, student, and citizen groups across the country, I must be thankful for the understanding and cooperation you have shown as we have worked toward a better educational system in this district. Our schools can only be as good as the people want them to be and cooperation is the key to an improving school program. Thanks for making my first year as superintendent a pleasant one indeed.

Wesley Barrow

Mrs. Mary Agnes Kolker has been Elgin's faithful secretary for many years. She is not only dependable but well liked by the students.

Our Principals

To My Students

No one, not in my situation, can appreciate my mixture of feelings as I write this. To this school, and to the kindness of you, the students, I owe considerable. Here, I have lived four years and hope that in some way to have enriched your life and brightened the future. Here, three of my own children have spent one third of their public school education. I now leave, not knowing where the road of life leads, not knowing if our paths will cross again. Without the assistance of the Divine Being I could not go on. With that assistance I cannot be stopped. Trusting in Him who can go with me, and yet remain with you, and be everywhere for good, let us confidently face the unknown. To His care I commend you, as I hope in your prayers you will commend me, I bid you an affectionate farewell.

OFFICE GIRLS: Patty Gray, Mr. Wade, Principal; Susan Johnson, Cynthia Miller, Rebecca Farrow, Judy Angley, Connie Long, Charlotte Phillips, Dorothy

Farrow, Frances Wade, Belinda Calderon, Judy Jones, Vera Lynn Tsotigh, and Patsy Doyle.

MR. HUELAN BRACKEN, Grade School Principal

Be not concerned, nor be surprised if what you do is criticized. There'll always be some folks who can find some fault with every plan. Mistakes are made, we can't deny, but only made by folks who try.

Huelan Bracken

MR. LARRY PAYNE, Junior High Principal

This year we have made some changes in the curriculum of our junior high. We feel that these changes will be beneficial for your education as you move on toward your work in high school. Science has been started in the seventh grade, American History has been moved from eighth grade to the ninth grade, and next year a full course of civics will be part of the eighth grade curriculum. Changes will continue to be made, when possible, if these changes will help the school program as a whole.

I wish to express my appreciation to the faculty and the students for all the cooperation they have given me throughout the year.

Larry Payne

MRS. DONNA MILLER, High School Secretary

Mrs. Miller has served the high school for the past two years. We appreciate the efficiency she has shown in taking care of our many Student Council activity funds.

In Memoriam

Randall Wahkinney was one of fourteen children, with five attending our school. He was fatally injured on October 17, 1968, when a gun went off accidentally at a cousin's home.

Randall, a freshman, was a member of the Owlkahoma Indian Club and showed interest in athletics. He was quiet to many but lively with his friends.

We are glad to have had the opportunity to have known Randall.
